# PROFESSIONAL DEVELOPMENT AND COMMUNICATION ENGAGEMENT

- Professional/national/International
  - Quality is no compromise
  - Standard is a minimum requirement
-

# COMMUNICATION HAS TWO WAYS

- They come to you
  - You go see them
  - If you did a job, nobody comes. It is their problem
-

# YOU ONLY HAVE TO DO THREE THINGS

- Quality, Quality and Quality
  - Quality will do other things for you
-

YOU HAVE TO REMEMBER THAT MUSIC  
IS A PERFORMING ART  
NOT ONLY READING AND TALKING
